Do you want to have the Rantoul Aquatic Center all to yourself? The Rantoul Aquatic Center is available for rent. We offer the full use of the facility for you and your guests. This is the perfect option for birthday parties or large get-togethers. No other crowds, no long lines for the water slides. Pool renters are allowed to take advantage of our Family Night rules.

# PAVILION RENTAL

Our pavilion is located in the lawn area of the facility and makes a great location for a birthday party. Go ahead and swim for a while and then come over to the pavilion and do your celebrating. The pavilion is available in 2 hour increments during open weekend hours and we allow cake and individual juices or bottles of water to be brought in for the occasion (the concession stand will store in fridge).
